I HEARD IT IN TOWN.
I HEARD THAT GREAT JOY-SENPAI IS A ~:SOCK HUNTER:~
His sock fetish makes it seem like he's a "Sock Hunter"!! Scary
A girl that was scammed by Saitou-kun said that he'll definitely steal your socks!!

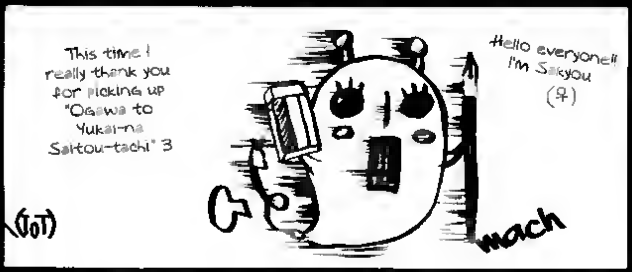
Rumors of Great Joy

Rumours of Great Joy



So what? is what you might end up saying.
This is very sudden, but I recently love foreigners who are called "stephan"!!
Stephan is a good name!!!
Ohhhh!

And with that, pleased to meet you another time!
"Love's tension is unstable" is the direction of this volume!! (Haha)
First of all my main little sister's condition was that it this was a "Nakayoshi" manga, it would have the COMEDY from HARUHI-kei house

But if you ask why, it's because you always keep your deadlines right? You "do your best, right!? By Haruhi

ARE YOU AN IDIOT-TTTTTTTT?!
SFX: GAHHH
But the deadline's today, what should I do...?
I got lost~
If I send it through the home delivery post then it should get to the editorial department early tomorrow.
On the day of the deadline I went to give in the manuscript I drew, but
Writing names for the stories just before the deadline was painful
Naka-goshi
wugyaaa
I can't do the nameeee
I did the cover and the centre fold of "Rumors of Great Joy"s chapter many times because I couldn't remember!!
eeeeeek
i-i'm scareddd!
The postage fee was come to 10000 yen (tears)
How long does it take for bullet train post and fake post? Huh. It takes 5 hours to get to Tokyo?! That's awesome.
I tried to use "Rail Post" first

T/N: About 112 USD

NAGARE BOSHI MANGA
WWW.NAGARE-BOSHI.NET

In that sense, please allow me to use the same season again in "Ogawa to Yukai-na Saitou-tachi"

This story is about summer!! In the first volume, at that time I wrote stories about the school cultural festival (autumn) so "Ogawa to Yukai-na Saitou-tachi"'s sense of seasons is out of order (It's seems like "Isn't this a promotion of the school?!") I'm very sorry about that, but thank for ignoring various things like that. (laugh)

HEY
YES?
WHY DON'T WE STOP GOING OUT OF OUR WAY TO EAT BENTO* FOR LUNCH ON THE ROOF UNDER THE BLAZING SUN?!

I had a great number of ideas about "Disgusting" and "Annoying"! (Thank you very much)
A suggestion came from my manager saying to do a "painful show off character"!
And for some reason sexy!
You should make him have a set phrase or like a set pose!!
Let's make him a disgusting narcissist
My
Slam!
I had trouble making the Student Council President's character
droopy eyes
timid
I had decided on Hayashi-san's character, but
Hayashi-san told me
Some thing like this?
I'm the best
However his "character was somehow weak" so with that he was rejected.
In the earlier stages the President had a phase of being a "domineering brutish rascal"
And so I (Nana) on entering new characters into [The Popular People Against the Seitou] The Student Council President ♥ Hayashi-san

Ogawa to Yukaina Saitou-tachi
Letter from Ogawa

There are no words concerning cooking and bento.

Osawa had lower levels of being a natural airhead than she does now
There were no plans for minus ions either
By the way her eyes are the same as the time that she debuted in the manga!
"They're a little plain." is what they seemed so I increased the amount of lines I drew them in my work

Making a facial expression for no reason in particular! (laugh)

Anyway I remember creating him with the image of a "spiritually scary boy" as I made him
What is the meaning behind the cold sweat? It made him look a little scared...
Now that you mention it, many people said that he looked like "Osawa-kun" in the debut work
I wonder? Does he look like him?

NO MATTER WHAT I HAVE TO—...
IN MY HAND ARE LETTERS WITH MY FEELINGS INSIDE
THE ME TODAY
HAS A CHEERFUL HEART AND A BEATING CHEST

A part of the same had been torn off so they said "we can't acknowledge this as a stamp" So the requirement was to "fix what was attached and try to send it again"?
Everyone, let's cleanly attach our stamps
At least acknowledge this much.....
When sending a letter stamps are important right--
It would have to be STAMPS!!
One day there was a time that a postman suddenly handed back to me the post I tried to send.
I'm return ma'rt
This time the story is concerned with "letters"
If I were to talk about my memories regarding "letters"

BOOM
HAVE SOMETHING I WANT TO GIVE TO THE THREE OF YOU!!
U...UM, I
?
Huh!?

No, it' will surely be bad if you hurry, Ogawa!!
I'LL BE SURE TO HURRY BA——
